

# T-REX RUBBER INTERNATIONAL

## PRODUCT HIGHLIGHT

*Your international partner*  
[www.trexrubber.com](http://www.trexrubber.com)

### Efficient Facilities on T-Rex Premises

**Loading Dock**  
Capacity to (un)load two trucks at the same time.

### FACILITY IMPROVEMENTS

**New Forklift Trucks**  
Two forklift trucks are added to the fleet (total of 10 trucks since June 2015).

*The largest and most complete inventory for bulk handling and processing combined with 'state of art' facilities on our premises*

#### *Improvements earlier this year:*

**Laboratory for Quality Control**  
All tests are performed according DIN and ISO standards.

**Conveyor Slitting & Winding Lines**  
5th line is fully installed and operational.
